“Apply lice shampoo generously to **DRY** hair, thoroughly saturating hair with TLC from scalp to tip of hair.

“On average, if you have shoulder length medium thick hair you can get 3 to 4 uses out of one bottle. Keep in mind you will need 5 uses.

“As you apply the shampoo no lather will occur. You are just coating the hair.

“Leave shampoo on hair for a minimum of 30 minutes. After 30 minutes, add water and work into a lather. Rinse shampoo out of hair and apply conditioner or detangler to ease combing. Use lice comb to remove nits after each treatment.”

“More colleges and universities will get support for student ID implementation on Watch and iPhone ‘over time,’ Business Insider reported.”
